For information and bookings in the U.S. speak directly to an agent (no menus to choose from) at 888 387 2479 or 1 505 326 3338. For sales offices in other countries please refer to www.EuropebyAir.com. Advance flight reservations (not necessary but strongly recommended) will be made for you subject to availability in the Booking Class (CL) shown above by your travel agent, EuropebyAir or the participating Airlines (a list of the airlines' European phone numbers will be sent to you with your Final Documents).

All routes are currently valid and more airlines will join so please check the latest information at www.europebyair.com/map. Only routes operated and marketed by the participating airlines are valid (code shared routes are not valid). Routes shown in *italics* operate seasonally only.

Major schedule revisions go in effect with Daylight Saving time changes in Europe. These occur in late March or October and timetables are normally valid for the full winter or summer season.

The two letter Airline (AL) codes are, A3=Aegean, AP=AirOne, AR=Aerolineas Argentinas, A7= Air Plus Comet, C9=Cirrus, DI=DBA, E8=AlpiEagles, EA=European Air Express, GR=Aurigny, LA= LAN, NI=Portugalia, 0D=Darwin Airline, OL=OLT, OU=Croatia, OV=Estonian, SN=Brussels, TE=Lithuanian, VG=VLM, ZB=Monarch, 2W=Welcome Air, 9F= Eurostar

Cities with multiple airports, codes and location follow. Maps showing their location can be viewed or printed from our website page http://www.europebyair.com/English_us/Airport_Maps/default.html
