

## What's so Great about the EuropebyAir FlightPass?

The EuropebyAir FlightPass lets you country-hop your way around Europe for just \$99 a flight. These "open" passes let you fly one-way, non-stop to cities all over Europe, starting or ending anywhere you want. And with over 20 participating airlines, serving more than 170 European cities in over 33 countries, you're sure to see more of Europe at a great price! Plus, Europebyair makes it easy – no black out dates, no fare zones and you can make your flight reservations in advance and they're valid for 120 days from the date of issue.
